A World Class University Supporting World Class Research

The University is a world-leading research-intensive institution, with a strong educational offering, renowned for our innovation and enterprise. Our four strategic principles are; collegiality, quality, internationalisation and sustainability. We have a global reputation for our collaborative work that makes a real impact on society's biggest challenges.

With over 23,000 students and 5,000 staff, we combine academic excellence with an entrepreneurial approach to research, supporting a culture that engages and challenges students and staff in their pursuit of learning. The University is also home to a number of world-leading research centres including the Institute of Sound and Vibration Research, the Optoelectronic Research Centre, the Web Science Research Initiative, the Southampton Statistical Sciences Research Institute, the National Oceanography Centre at the waterfront campus.

Gift of Sight Lecture 2017

'Beating Blindness'

Wednesday 26 April 2017 | 6.30pm – 8.00pm
at DoubleTree by Hilton Southampton
Bracken Place, Chilworth, SO16 3NG

The Gift of Sight Appeal supports world-class research into the prevention and treatment of blindness.

Professor Lotery leads a team of clinicians and scientists at the Vision Science Research Unit at the University of Southampton's Clinical Neurosciences Division, which is situated at University Hospital Southampton. Research is combined with treating patients in Southampton Eye Unit, enabling the team to bring insights from the research laboratory directly to patients.

Following the success of our previous Lectures, Professor Lotery and his colleagues will give an update on the latest progress in academic and clinical research leading towards our mission of beating blindness.

If you are a UK Taxpayer please make your gift worth 25% more to us with Gift Aid.

Gift aid is a government run scheme that allows the University of Southampton to reclaim the tax that you have already paid on your donations – at no extra cost to you.

I wish to make this and all donations I make to the University of Southampton in the future, qualify for Gift Aid until I notify you otherwise.

I am a UK taxpayer and understand that if I pay less Income Tax and/or Capital Gains Tax than the amount of Gift Aid claimed on all my donations in that tax year it is my responsibility to pay any difference.
